To Sara Rowland and
Lawrence Ferman my warm
good wishes for a joyous
life ahead. I regret not
having been able to share
in the festivities & however,
I trust the Banyan tree
stood in for me.

What I would like very
much to have is a
photo of the loving couple.
It would be a fine souvenir
of a very special event.
My event is today. I
have turned 90. Don't
rush to get there.

Much love,
Charles
