Dear Darcy -

I came across these papers
in my file. Whata thrill to
read them after so many years!
I sent copies to Lawrence

2 Judy
3 Ted

I know you're interested in
the genealogy of our family
and thought it might be something
the "Young ones" would enjoy
having in years to come.

Been so busy moving & getting
settled - Whata job!

No hope Sally, Alexi & Cara
are all doing well. Speak to
you soon.

Much love -

Sherley
