- **2007** Kaiser San Francisco: teach smoking cessation classes
- **2004-2006** MPHS Smoking cessation program leader. 25% success rate, twice the industry average.

"Dan is an excellent educator. He understands how adults learn. He is personable, approachable and puts his groups at ease. Great organizational skills. Good problem solving. It was a pleasure working with Dan."

-- Helen Chaknova RN, Director

- **2000-2004** Wifi Italia. Built and ran Italy's first public wifi. Increased sales at world's top-grossing McDonald's by 10%.
- **1978-2000** Dan Keller Technical Services. Best-in-class training for Fortune 500 companies. Instructors mentored. Courses developed and taught. Thousands of classroom hours.

"Dan's teaching abilities are beyond reproach. He is one of few people who can translate computer jargon to everyday language, bringing technical material into students' easy reach. What stands out most of all, though, is his commitment -- he says he won't leave a student behind and he really means it."

-- David Lowe, Programmer
